INTRODUCTION

WISCO PRIME NIGERIA LIMITED was formed by a young Nigerian professional who have various experiences and was fully registered at corporate Affairs Commission in 2009 under the Companies and allied Matter Decree No. 1 of 1990 out of a keen desire of making positive contributions to the development of our country.

Though the Company is young or newly established, we have complement of personnel who are professionals and experts in their various field of engineering who will bring their well of experience to bear in the way and manner of our job execution.

We have over the years gathered technical knowhow in this field of designing, Civil, Structure, rural electrification, solar products, borehole drilling is to base our efforts in the following directions.

To enhance the quality of our service to meet the professional need of our customers or clients at the best cost possible.

The reinforcement of our maintenance support and expertise all along the contract life plan.

The range of our capabilities are extended internally and partnership to offer more complex services among which are our core services and logistic.

Our field of activities is established developmentally to operate in Nigeria and confidently with our effort to lift our services to the evolving needs of our clients.

OUR MISSION

Is to discover access, evaluate and develop world class growth and procedure of construction and maintenance services required in the public and private sectors.

To continuously improved in our quality and open communication in the conduct of our activities to meet and conform to the desire ethical, safety and environmental standards.

Effective management of available resources and assets.

Continuous effort to improve work process by utilizing efficient technical organizational skills.

Optimizing relationships with governments and organized private sector.

Equitable sharing of economic benefits.

OUR AIM

Is to be among the world best in the year 2025 through quality job execution, staff motivation and economic stimulation.

LIST OF COMPANY STAFF

- Engineers
- Quantity Surveyors
- Foremen
- Skilled Workers
- Machine Operators
- Safety Officers
- Measurement Staff
- Crane Operators
- Insulators
- Fabricator
- Filters
- Storekeepers
- Heavy Duty Equipment Operators
- Community Relation Officers
- Security Personnel
- Unskilled Workers

OUR CORE SERVICES

Operating in public and private sectors of the economy, industrial oil and gas in a highly competitive environment require of ambitious objectives in terms of safety, quality, performance, speed, scheduled and operating companies, WISCO PRIME NIGERIA LIMITED, has developed a comprehensive contracting engineering start off delivery and maintenance of contract as a result, the following are our core services.

A. CIVIL ENGINEERING

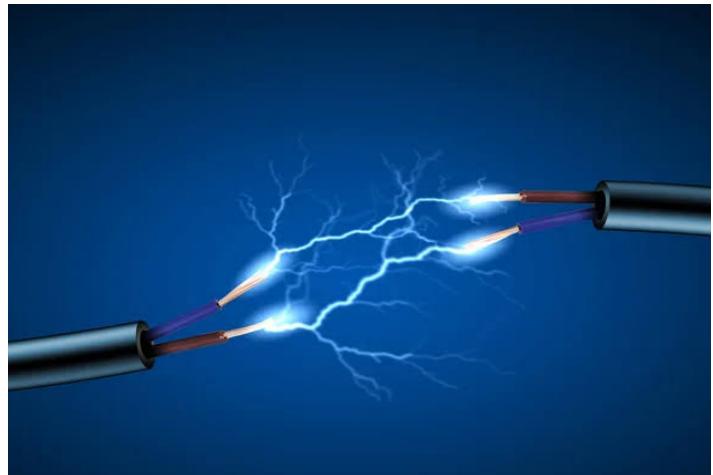

- Industrial Building
- Road Construction
- Blasting
- Buildings
- Camp Construction
- Demolition
- Fencing
- Foundations
- Paving (Asphalt)
- Paving (Concrete)
- Fire Proofing
- Piling
- Earth Work
- Analytic Survey
- Borehole Drilling

OUR CORE SERVICES

B. ELECTRICAL WORKS

- Domestic
- Commercial
- Industrial
- Lightning
- Overhead Line
- Cable Laying
- Cable Joining

C. PIPING

- Pipeline
- Field Fabrication
- Fibre Glass
- Pipe Installation

D. OFFSHORE CONSTRUCTION

- Pilling
- Dredging
- Test Boring Piping
- Jetty Construction
- Diving
- Platform Maintenance

E. OTHERS

- Mathematical Construction
- HVAC
- Module Construction
- Rigging
- Steel Structural
- Equipment Installation
- Rural Electrification
- Tank Erection/Fuel Tank Farms
- Welding

MANAGEMENT TEAM

Engr. John Ugwuagbo, MNSE, COREN
Executive Director

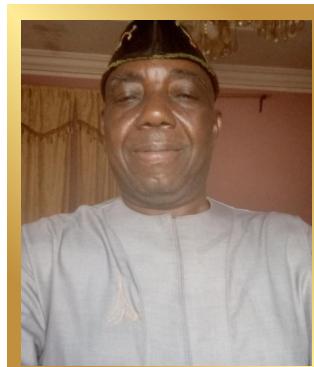

Engr. Ofonime Okon, ANSE, COREN, NATE
MD / CEO

Dr. Joshua Olorunkiya, MRICS, MNIQS, MCIOB
Project Manager

JONATHAN T. KATOH, MNIQS
Quantity Surveyor

SUNDAY TOM
Director

ARC. JOSHUA DADA
Architect

1. **Engr. Ofonime Okon**
COREN, (Associate Nigeria Society Of Engineers)
N.S.E
Qualification: B.Eng (Civil), M.Eng (structures)
Designation: MD/CEO
Experience: Above 20 years
2. **Dr. Joshua Olorunkiya**
MRICS, MNIQS, MCIOB, MNIQB, MCinstCES
Designation: Project Manager
Experience: Above 20 years
3. **Engr. Asuquo Bassey Okon**
COREN, (Fellow, Nigeria Society Of Engineers)
N.S.E
Qualification: B.Eng (Civil), M.Eng (structures)
Experience: Above 20 years
4. **Emmanuel Nkem**, ACIA, MSIMS
Designation: Head, Bus.
Development/Corporate Affairs
Qualification: H.N.D, ACID
5. **Engr. Joseph Ekong**
COREN, (Associate Nigeria Society Of Engineers)
N.S.E
Qualification: B.Eng (Elect), M.Eng (Elect)
Designation: Electrical Engineer
Experience: Above 20 years
6. **Olaodejo Damilola**
Designation: P.A, Human Relations
Qualification: H.N.D
Experience: 12 years
7. **Gbogu Stella Nonyelum**
Designation: Company Secretary
Qualification: B.S.C
Experience: 12 years

CV OF PRINCIPAL OFFICERS

DR. JOSHUA OLUTAYO OLORUNKIYA

PhD, M.Sc., B.SC, HND, MRICS, MCInstCES, MACostE, MPEO, MCIQB,
MAPM, MSCL, MAACEI, MNIQS, MNIOB, ABIFM, AMNIM, ICECA, CCM, RegQS, Reg Bldr.

Chartered Quantity and Civil Engineering Surveyor

Chartered Construction Manager & Certified Cost consultant

HOUSE NO 10, LENNAR HILLSIDE ESTATE BY BRICK CITY, KUBWA ABUJA

Email:esthojconsults@gmail.com; joe_kiya@yahoo.co.uk; joe.kiya@gmail.com

Mobile Tel: (+234) 9051602999, 08140989555, 08096640412

Professional Profile

A skilled, enthusiastic, energetic and technically competent professional with over a decade experience in pre and post construction contracts administration. Possesses an in-depth understanding and interpretations of various standards forms of contracts such as **FIDIC, JCT, NEC, NZS3910:2003** etc; in addition to having high level of business acumen and commercial knowledge. A savvy character with excellent interpersonal and communication skills equipped with the capability to communicate concisely and articulately with clients, contractors, suppliers and colleagues alike. Enjoys being part of a successful and productive team while demonstrating strong leadership and negotiation potential in a highly competitive, and challenging working environment where resilience and excellence is extolled.

Objective

An enthusiastic, and disciplined person constantly looking for opportunities across various sectors of the economies to make positive, impactful contributions through sharing of my wealth of experience and skills for the improvement of corporate and individual well-being for economic growth, sustainability and competitive advantage.

Education and Qualifications:

Mar 2010-Feb 2014 Doctorate of Civil Engineering, University of Auckland

Specialisation: Construction Project Management

Recipient: University of Auckland Doctoral Scholarship

Dec 2013-Sep 2016 Bachelor of Science (Hons), University of Reading

Specialisation: Quantity Surveying

Undertaken as Top-Up to the HND Qualification to meet Academic Teaching career requirements in the future

Jun 2007-Aug 2008

Masters of Science, University of Technology, Malaysia

Specialisation: Construction Contract Management

Achieved Grade: Distinction with a CGPA 3.97/4.00

Overall Best Graduating Student 2008

Jan 1997- Dec 2001

Higher National Diploma, Ondo State Polytechnic, Owo

Specialisation: Quantity Surveying

Achieved Grade: Higher Credit

Other Qualification

Jan 2003- Sep 2003

Diploma in Data Processing, Ika Computer Technology, Katsina

Achieved Grade: Higher Credit

Professional Affiliations/ Certifications

- Member, Chartered Institution of Civil Engineering Surveyors (MCInstCES)
- Member, Association for the Advancement of Cost Engineering (MAACE)
- Member, Nigerian Institute of Management -Chartered (AMNIM)
- Member, Nigerian Institute of Quantity Surveyors (MNIQS)
- Member, Royal Institution of Chartered Surveyors (MRICS)
- Associate, British Institute of Facility Management (ABIFM)

CV OF PRINCIPAL OFFICERS

- Member, International Cost Engineering Council (ICECA)
- Member, Association for Project Management (MAPM)
- Member, Association of Cost Engineers (MACostE)
- Member, Chartered Institute of Building (MCIOB)
- Member, Nigerian Institute of Building (MNIOB)
- Member, Society of Construction Law (MSCL)
- Chartered Construction Manager (CCM)
- Registered Quantity Surveyor with QSRBN
- Registered Builder with CORBON

Industry Experience Summary

Career Summary

Nov.2014 –Till Date

ESTHOJ MULTI-DISCIPLINARY GROUP

Sector Type: Consultancy

Position: Managing Director/ Chief Executive Officer

Responsible for the day-to day running of Esthoj Multi-Disciplinary Group with a particular emphasis excellent service delivery to our clients using the latest tools available in the industry to create value for money, maintain a competitive edge through the provision of world-class services and making sure that our business continues to grow by way of developing new clients whilst maintaining our existing customer base.

Summary of Other Responsibilities:

- ✓ Responsible for the formulation, implementation of business strategy.
- ✓ Responsible for Building client relationships that result in revenue and profitability growth.
- ✓ Provides leadership, motivation and development of team building by championing the creation of a collaborative platform that encourages synergy of ideas among the team.
- ✓ Liaises with officials of government departments and regulatory bodies.
- ✓ Responsible for the development of quality management manuals that ensure improvement and maintenance of high-quality service to our clients.
- ✓ Responsible for the overall compliance and adherence to health, safety and legislative requirements.
- ✓ Keep control of business expenditure and ensuring it's within agreed budgets.
- ✓ Creates the platform for innovation adoption with the sole objective to provide our clients timely service delivery in order to maintain the competitive edge in all areas of our specialisations which includes:
 - *Cost Management & Quantity Surveying Services*
 - *Procurement Advice and Documentations*
 - *Development Appraisals & Life Cycle Cost Analysis*
 - *Construction Project Management,*
 - *Value Engineering & Risk Management*
 - *Project Planning, Scheduling and Control*
 - *Forensic Analysis of Delay Events*
 - *Construction Claims Consultancy*
 - *Construction Disputes Resolution*
 - *Supply Chain Management*
 - *Customized Project Management Trainings, and*
 - *Primavera P6 Training for project and programme management among others*

Project Portfolios

N3.5bn+: Quantity Surveying/Construction Management Services for PANDA Agricultural Management Services. A Joint Venture for an Integrated Farm Development Project Between FarmBuilders Netherlands and the Nigerian Sovereign Investment Authority (NSIA) at PANDA Village, Nasarawa State.

N2.0bn+: Quantity Surveying/Project Management Services for Park Villas Estate, Maitama, Abuja,

CV OF PRINCIPAL OFFICERS

FCT for BIMA Shelter Limited

- N1.8bn+:** Quantity Surveying/Project Management Services for the Construction of 200 Apartment Units including external infrastructures at Galadimawa, Abuja, FCT for BIMA Shelter Limited
- N500m:** Quantity Surveying/Project Management Services for a Private Residential Mansion Development at Asaba, Delta State
- N650m:** Quantity Surveying/Project Management Services for a Private Residential Mansion/ Political Hall Development at Owerri, Imo State
- N4bn+:** Project Manager for the Council of Registered Builders of Nigeria (CORBON) in the Training of 40,000 Beneficiaries to become Skilled Construction Artisans in Six (6) Trades over **250 Training Centres across the 36 States including the FCT in Masonry & Tiling, Carpentry & Joinery, Welding & Fabrication, Electrical Installation, Plumbing Installation, Painting and Decoration** in Partnership with the *Office of the Vice President of Nigeria under the National Social Investment Programme (NSIP) of the Buhari Led Administration.*
- N:600m** Project Management Consultant on the Development of 3Bedroom 8Units Terrace House Including a Clubhouse with a Swimming Pool and other External services in Maitama, Abuja (Ongoing)
- N9.8bn:** Project Management Services for The Development of Palm Springs Golf Estate, Abuja (8no 7bedroom Duplex with Lift on Two Floors & 8 Nos 5bedrooms Duplex All Provided with Swimming Pools, Remote Controlled Motorized Gate, Customised Kitchen Equipment. **(Phase 2A & 2B)**
- N1.8bn:** Quantity Surveying, Project Management Services for the Expansion and Upgrade of Arewa Hotel, Garki Abuja
- N1.6bn:** Quantity Surveying, Project Management Services for the Expansion and Upgrade of Renovation of Hamdala Hotel and Motel, Kaduna.
- N800m:** Quantity Surveying, Project Management Services for the Expansion and Upgrade of Aso Motel Kaduna
- N1.6bn:** Project Management Services for the Development of Palm Springs Golf Estate. **(Phase 3).**
- N45m:** Project Management Services for the Renovation of 28bedrooms Protea Hotel, Abuja
- N328.5m:** Provision of Quantity Surveying Services Remodelling and Refurbishment of Court of Appeal, Rivers States Branch, Nigeria.
- N900m:** Quantity Surveying Services on the Remodelling and Refurbishment of National Judicial Council, Abuja Nigeria.

Apr.2013 –Oct 2014

EGEC QATAR FOR ENGINEERING CONSULTATIONS

Sector Type: Consultancy

Position: Assistant General Manager, Contracts Management

(Quantity Surveying, Contracts Administration & Projects Planning)

CV OF PRINCIPAL OFFICERS

Responsible for setting up a Quantity Surveying unit and growing the same into a full fledge department within EGEC Qatar Engineering Consultations. In addition, I have a full responsibility for pre and post contracts administration for various projects around Qatar for various clienteles and mentoring young Quantity Surveyors and Planning Engineers accordingly.

Pre-Contract Responsibilities include

- v Preparation of Feasibility Studies
- v Estimating to define project budgets
- v Analysis of effect of design on the project budget
- v Costs planning to refine the budget as the design documents develop
- v Preparation of Bill of Quantities and other contract documents to assist in the tender process, and
- v Tender analysis, reporting, and contracts negotiation for awards.
- v Programme schedules for various projects at pre-contract phase

Post-Contract Responsibilities include

- v Provision of cost control services during construction
- v Assessment of Contractor's progress claims
- v Assessment of variation and delay claims with respect to extension of time
- v Monthly forecasting and cost reporting
- v Monthly negotiation and agreement of payments for works carried out

Current Project Portfolios (Contract Administration)

QR350m	Post Contract administration for 44 project sites for the construction of Al Farjaan Markets at various locations in Qatar sponsored by Qatar Development Bank.
QR100m	Tender documentations for a Business Centre Development at Souq Waqif Area, Doha Qatar.
QR65m	Post-contract Administration for Qatar Development Bank Business Incubator Project
USD\$10m	Post -contract administration for interior Q-Media Cinema Development at Pearl, City Centre Doha, Qatar
QR18m	Pre and Post Contract administration for Underground Power Substation at Souq Waqif, Doha.
QR30m	Post Contract administration for Albouamour Mosque, Doha

Jan.2009 –Feb2010

SHELTER-COST ASSOCIATES, LAGOS, NIGERIA

Sector Type: Consultancy

Position: Senior Quantity Surveyor

Played a pivotal role in the life cycle management of a wide range of projects; ranging in scale and value, from the feasibility phase through to completion. The mix of projects managed includes educational, commercial, residential, industrial, telecommunication, and oil & gas infrastructures. Pre and post contract duties performed comprises of preliminary estimates, tender documentations, analysis and reporting, claims preparation and defense, cost analyses, project administration and construction cost control, preparation of financial statement and cash flow forecasting. Others are interim & final valuations, final accounts, programme evaluation, strategic procurement, general contractual advice, dispute resolution, value engineering and contracts negotiation. In addition to the day-to-day project management responsibilities, other leadership duties performed consists of the mentoring of twelve junior and intermediate quantity surveyors through personal initiation and facilitation of knowledge sharing sessions fortnightly to ensure they develop the skills and capabilities required to fulfil their job duties in addition to getting them ready for relevant examinations and test of professional competence interviews.

Summary of Projects

N4.2bn	Bills of Quantities, interim valuation, financial statement, final account preparation and project close-out for Day waterman College, Ogun, Nigeria
N3.2bn	Contract documentations and awards including general post contract administration, such as the production and review of weekly and monthly progress report and taking appropriate action to resolve any issues identified on Rainbow College, Ogun, Nigeria

CV OF PRINCIPAL OFFICERS

N40.0bn	Bills of quantities preparation, tender analysis and reporting, negotiation and awards for a 26-No High-Rise Rainbow Town Luxury Apartments, Port-Harcourt, Nigeria. A joint venture project between Rivers State Government of Nigeria and First Bank Nigeria Plc
N850m	Tender documentations, tender analysis & reporting and contract negotiation for the awards of 7-No terrace house including external services for Kedari Capital, Lagos
N1.2bn	Bills of quantities preparation (including electrical and mechanical services) for a mixed commercial development comprising of event centre, retail shops, office outlets and external works such as swimming pools, and general sporting facilities for the Lagos State Government, Nigeria
N1.8bn	Post contract administration for the refurbishment of an office complex and upgrading of annex buildings belonging to the Department of Petroleum Resources (DPR), Federal Ministry of Natural Resources and Energy, Lagos, Nigeria
N3.8bn	Tender documentations and post contract administration for the development of Petroleum Products Tank farms for the storage of PMS, DPK, AGO etc for an independent petroleum products marketer in Warri, Delta State, Nigeria

Dec. 2005 – June 2007	XL MANAGEMENT SERVICES LIMITED, LAGOS, NIGERIA Sector Type: Consultancy Position: Project Quantity Surveyor /Ag. Head Facility Management
	Responsible for the taking off quantities, feasibility analysis, tender documentations, building of unit rates, valued variations of works, prepared final accounts, negotiated and agreed prices with suppliers and sub-contractors, issued works & local purchase orders, prepared day work accounts, prepared schedule of dilapidations, programme of works and resource schedules. Managed detail budgets and cost plans for various facility management contracts, materials purchase, and often undertook site supervision when necessary

Summary of Projects

- Facility management services for LMN Ericsson, Nigeria
- Facility management services for Mobile Telecommunication Network (MTN), Nigeria
- Project management services for various financial institutions across Nigeria following the successful recapitalization of Nigerian banks resulting in the development of retail branches.

Sept. 2002 – Dec. 2005	CACHEZ TURNKEY PROJECTS LIMITED, LAGOS, NIGERIA Sector Type: Contracting Position: Project Quantity Surveyor
-------------------------------	---

Taking off quantities, contract documentations, building of unit rates, preparation of interim valuations and final accounts, issued works & local purchase orders, programme of works and resource schedules, physical measurements and day work accounts, prepared schedule of dilapidations for renovation and alteration projects in addition including general pre and post contract administration.

Summary of Projects

N1.5bn	Tender documentations for Conoil Producing Base Warri, Delta State
N2.5bn	Pre and post contract management for the Design & Build of Conoil Mega Stations nationwide
N1.7bn	Pre and post contract duties for the Design & Build projects for the Equatorial Trust Bank Ltd retail branches across Nigeria
N4.5bn	Contract administration for Globacom Telecommunications Limited Switch Buildings, Offices and Telecommunication Masts across Nigeria
N2.0bn	Contract documentations and post contract management for the School of Health, Bauchi, Nigeria on Design-Bid-Build basis, and

CV OF PRINCIPAL OFFICERS

N6.0bn Various residential developments for various clienteles all over Nigeria

Jan. 2000 – Sept. 2002 **OAK BUILDERS LIMITED, LAGOS, NIGERIA**

Sector Type: Contracting

Position: Quantity Surveyor II

Estimated quantity of principal materials for bulk purchases to minimise impacts of price fluctuations on project delivery time-frame. Analysed contractual terms and risk assessment of tenders' estimation, re-measured works on sites for evaluation of contractor's claims for additional works certifications and payments. Prepared monthly progress reports and cash flows based on programme of works.

Jan 1998 – Dec. 1999 **CACHEZ TURNKEY PROJECTS, ABUJA, NIGERIA**

Sector Type: Contracting

Position: Quantity Surveyor I

Worked collaboratively with other senior colleagues to ensure all projects are completed on time and within budget. In addition, provided management supports to all site personnel and maintained productive relationships with clients, design team and sub-contractors. Prepared bills of quantities, bills of approximate estimates from sketch designs, prepared interim valuations, day work accounts, and monitored sites stocks using special computer program called SSL.

Teaching & Academic Research Experience

- Visiting Lecturer to Rufus Giwa Polytechnic, Owo, Ondo State.
- Reviewer for Built Environment Project and Assets Management (BEPAM)
- Reviewer for Journal of Sustainable Development (JSD)
- University of Auckland, New Zealand, Tutored Final Year Undergraduate Risk Management in Construction.
- University of Auckland, New Zealand, Tutored 4th Year Engineering Students ENG403- Professionalism and Sustainability Issues
- University of Technology, Malaysia, Tutored 3rd Year Students Project Management

Interests

- Construction Law
- Project Planning and Scheduling
- Quantity Surveying & Construction Contract Management
- Construction Economics
- Building Information Modelling (BIM)
- Project Finance Initiative
- Facility Management
- Value Engineering & Project Risk Management
- Sustainability (Low Impact Design Technologies-Green Infrastructure)

Awards

- University of Auckland International Doctoral Scholarship, 2010
- University of Technology, Malaysia M.Sc. Best Graduating Student, 2008

Training and Workshop Facilitated

The following training were personally facilitated and undertaken in conjunction with the Nigerian institute of Quantity Surveyors (NIQS), the Nigerian Institute of Building (NIOB) and the Council of Registered Builders (CORBON) aimed at promoting the uptake of BIM.

1. BIM/ Primavera Software Training for the Nigerian Airforce Personnel at the Nigerian Airforce Headquarters, Abuja, May 2017.
2. BIM Compatible (CostX Software) Training for Quantity Surveyors in Kano, Abuja, Lagos and Akwa-Ibom States of Nigeria Jan-April, 2017.
3. Primavera Training for Project Management Scheduling and Control for Quantity Surveyors and Builders in Abuja, Lagos and Uyo.
4. BIM (PlanSwift Software) Training for Rivers State University, Kaduna State University and Delta State Polytechnic, Ozoro Quantity Surveying Departments Lecturers and Students.

Seminars and Workshop Attended with Dates

1. Workshop on the Settlement of Claims & Final Account in the Contemporary Nigerian Construction Industry by the Nigerian Institute of Quantity Surveyors, FCT Chapter September, 2018.

CV OF PRINCIPAL OFFICERS

2. Specialized Workshop on Contemporary Innovative Technologies in Construction Industry by the Nigerian Institute of Quantity Surveyors, FCT Chapter *August, 2017.*
3. Risk Management: Real time risks, how do we handle them on projects in Qatar? Identification, evaluation and monitoring of construction related risks organized by the Nigerian Institute of Quantity Surveyors International, Qatar Branch *May 2014.*
4. Extension of Time and Recovery of Prolongation Costs, Doha Qatar *September 2013*
5. Contract for Complex Projects-Webminar Organised by the CIOB, United Kingdom *August 2013.*
6. Comparative Construction Law Issues – English Law and Qatari Governing Law, Crown Plaza, Doha Qatar *June 2013.*
7. **“Integrated Design & Delivery Solutions: Design Management in an Online Collaborative Environment”** *A seminar by Prof Kerry London & Mr Darrell Edwards in association with CIOB New Zealand at Auckland University of Technology, Auckland, New Zealand, 30th August, 2011*
8. **“Construction Contracts & Early Contractor Involvement”** *A Seminar by RICS New Zealand in conjunction with Simpson Grierson, Auckland, New Zealand, 23th August, 2011*
9. Risk management: Real time risks, how do we handle them on projects in Qatar? -identification, evaluation and monitoring of construction and related risks. Nigerian Institute of Quantity Surveyors International (Qatar Branch), Doha Qatar, 1st May 2014.
10. The Global Financial Crisis- The Real Impact the Auckland Club, Auckland, New Zealand, 13th August, 2010
11. “Cost Engineering in Research: Articulating the Technical Value of Engineering Terms the Non-Engineers can Understand’, A seminar By Prof. Douglas D. Gransberg, FRICS, CCE from The Iowa University, USA. The University of Auckland, New Zealand, 27th July, 2010
12. “Construction Strategy for the London 2012 Olympic” Organised by Department of Civil and Environmental Engineering, The University of Auckland, New Zealand, 30th March, 2010.
13. “Manage, Analyse and Avoid Construction Delay and Disruption in a Changing economic Climate” Organised by Hill International and the CIOB, The Shangri-La, Qaryat Al Beri, Abu Dhabi, UAE, 2nd - 3rd June, 2009.
14. “Programming in Construction” Organised by Society of Construction Law (Singapore) Supreme Court Building Singapore, 21st May 2008.
15. “Competitive Corporate Strategy 'Organised by Thisday Media in Conjunction with Professor Michael Potter from Harvard Business School, USA, Civic Centre, Lagos, Nigeria, 27th July, 2009.
16. “Strategic Alliance-Public and Private sector” Organised by Institution of Surveyors Malaysia Istana Hotel, Kuala Lumpur 28th March, 2008.
17. “Handling construction Claims in Arbitration” Organised by Society of Construction Law (Singapore) Light House Building Boat Quay Singapore 16th January, 2008.
18. Post event update on “the use of Advanced Forensic Animations in the Resolution of Complex Dispute Claims” Organised by Society of Construction Law (Singapore), Singapore International Arbitration Centre 7th November, 2007.

CV OF PRINCIPAL OFFICERS

19. "Current Issues on Construction Contract and Dispute Resolution" Organised by Construction Management Group, University of Technology Malaysia, Dewan Jumaah, Jalan Semarak, Kuala Lumpur- Malaysia 27th October, 2007.
20. Facility Management as an important resource in achieving strategic leadership and superior Organisation performance organised by IFMA Nigeria Chapter, Muson Centre Onikan, February, 2007.

Other Competencies

- v **Computer Skills**
Proficiency in the use of Microsoft office packages like MS Excel, Word, PowerPoint, and Microsoft Projects. In addition, possesses an in-depth know-how on the use of construction estimating suite such as PlanSwift, Buildsoft, and CostX for quantity takeoffs, estimating, and bills of quantities preparation. Other computer skills include competent use of SPSS for statistical data analysis, and Primavera P6 version 8.1 for project scheduling, monitoring and control.
- v **Collaboration/ Partnership**
Guide cross-team and cross organizational collaboration, relate well to a diversity of individuals and very efficient as a team player
- v **Organization**
Sound planning and organizational capabilities, adaptable and flexible; well-organised planner and scheduler, immaculate record-keeper, completer-finisher, detached and unemotional
- v **Governance/Management**
Work well with the management, regardless of its composition, contribute to management building; adhere to clear lines of responsibility and accountability. Create a sense of shared responsibility/credit for accomplishments and shared responsibility for challenges or failures
- v **Ethical Standard**
Undertake every task and operation according to best practices, ethical guidelines and fiduciary requirements
- v **Problem Solving**
Resolve communication problems; manage competing interest with strong analytical skills required in the application of legal expertise in solving legal and customer related problems
- v **Information Seeking**
Keep abreast of emerging industry trends, practices and issues to ensure standards are aligned with or exceed recognised best practices at all times

Personal Details/Interests

- Driving licence:** Full/Clean
Health: Excellent; non-smoker, non-alcoholic
Hobbies: Reading motivational books, leisure swimming, knowledge/idea sharing and research

Referees

CANDIDATES' OVERVIEW

Having been registered by the Nigerian society of Engineers (M.NSE) and duly registered by the council for the regular of Engineering I Nigeria (COREN). I have broad-based experience in civil Engineering (structures, Drainage, and water supply, Highway experience in design of reinforced concrete and timber. I am also very familiar with BS8110 code of practice. In the recent years, I have been involved with the use of software like Etabs, RCC Spreadsheet and Beamax in structure design. Being highly experience in the use of AutoCAD, I have designed and drafted over 100 projects with it within the past 9 years. I also teach AutoCAD. In my previous workplace, I was involved research and development and have had in-depth studies in water/wastewater management as we as pipe network analysis and design, with focus on energy lose. I have been used as a project representative. And as much have traveled to different states of the federation like: Abia, Rivers, Cross River, Bayelsa, Enugu, Anambra, Oado, Odd, Lagos, Kano and kebbi in the course of my work.

PROFESSIONAL MEMBERSHIP:

NIGERIAN SOCIETY OF ENGINEERS-R..16683
